## Skill

UI Design

Web layout design

Prototyping

Usability Testing

Responsive Design

Wordpress

WixStudio

## Experience

Zuntra Digital | 2024 – 2025

### UiUx Designer Intern

- Completed a 6-month internship where I contributed to 5 real-world projects, handling both UI/UX design and front-end development tasks.
- Designed and developed responsive, user-friendly interfaces using Figma and modern web technologies.
- Conducted usability testing to refine user flows and improve overall user experience.

Freelancer | 2024 – Present

### UI Designer

- I designed the user interface of a responsive website for a local food court using Figma, ensuring a seamless experience across mobile and desktop platforms.
- They collaborated with the client to gather requirements, creating wireframes and prototypes to align with their branding and functionality needs.
