# SHAIK SAFIUDEEN

## ~~ABOUT ME~~

A recent Computer Science graduate with a strong interest in UI/UX design and web development. Completed a 4-month internship and multiple freelance projects designing and developing responsive websites. Focused on applying creative and technical skills to build engaging, user-friendly digital experiences.

## PROJECTS

**Freelance Web Designer | Self-employed**
*Responsive Website for Food Court( 2024 - Now )*

- *I designed the user interface of a responsive website for a local food court using Figma, ensuring a seamless experience across mobile and desktop platforms.*
- *They collaborated with the client to gather requirements, creating wireframes and prototypes to align with their branding and functionality needs.*

**UI/UX Design Intern | Zuntra Digital**
*Responsive Design for Projects( 2024 - 2025)*

- *Completed a 4-month internship where I contributed to 5 real-world projects, handling both UI/UX design and front-end development tasks.*
- *Designed and developed responsive, user-friendly interfaces using Figma and modern web technologies.*
- *Conducted usability testing to refine user flows and improve overall user experience.*

## EDUCATION

**Bachelor of Computer Science & Business System**
EGS Pillay Engineering College
*2020 – 2024*
